PHILIPPINE ECONOMIC BRIEFING IN SINGAPORE
SEPTEMBER 7, 2022

Disclaimer

This presentation has been prepared by the Republic of the Philippines (the “Republic”). This presentation is being presented solely for your information and is subject to change without notice. Any decision to participate in a bond offering by the Republic, if any, should be made solely on the basis of the prospectus supplement and the accompanying prospectus relating to such offering. By accessing this presentation, you are agreeing to be bound by the restrictions set out below. Any failure to comply with these restrictions may constitute a violation of applicable securities laws.

This presentation contains forward-looking statements that involve risks and uncertainties. All statements other than statements of historical facts are forward-looking statements. These statements involve known and unknown risks, uncertainties and other factors that may cause the actual results, performance or achievements of the Republic to be materially different from those expressed or implied by the forward-looking statements.

The Republic has filed a registration statement (including the prospectus) and a prospectus supplement with the U.S. Securities and Exchange Commission (the “SEC”). You should read the latest prospectus in that registration statement (file no. 333-249557), the latest prospectus supplement and other documents that the Republic has filed with the SEC for more complete information about the Republic. You may get these documents for free by visiting EDGAR on the SEC website at www.sec.gov. Alternatively, you may request a copy of the Republic’s latest prospectus and prospectus supplement by contacting The Hongkong and Shanghai Banking Corporation Limited by calling +1-866-811-8049.

A prospectus of the Republic, dated November 20, 2020, is available from the U.S. Securities and Exchange Commission’s website at <https://www.sec.gov/Archives/edgar/data/1030717/000119312520299291/d20775dsba.htm>

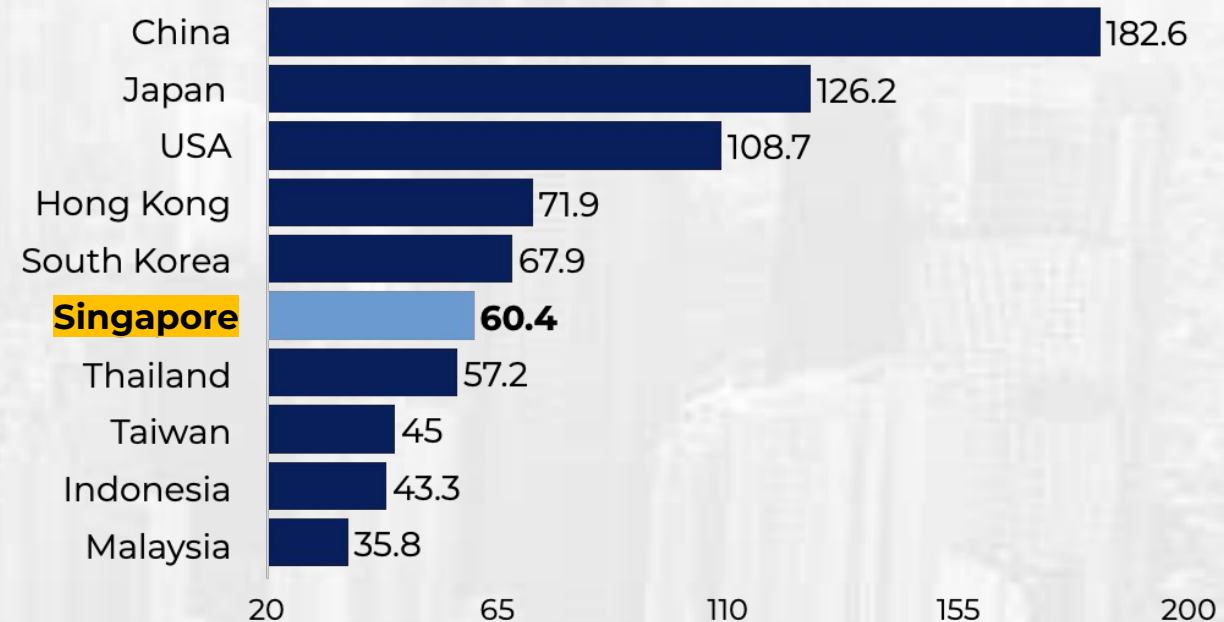

This presentation may not be reproduced, disseminated or quoted without the prior written consent of the Republic. Relaying copies of this presentation to other persons in your company or elsewhere is prohibited.

Singapore has been the Philippines' top source of foreign direct investments and sixth largest trading partner.

The Philippines' Top Sources of FDIs
(Total FDIs from 2016-2021, in USD Billion)

The Philippines' Top Trading Partners
(Total Trade from 2016-2021, in USD Billion)

Data Source: BSP and PSA

Singapore is the Philippines' third biggest source of overseas Filipinos' remittances.

The Philippines' Top Sources of OF Remittances
(Total Cash Remittances from 2016-2021, in USD Billion)

Data Source: BSP

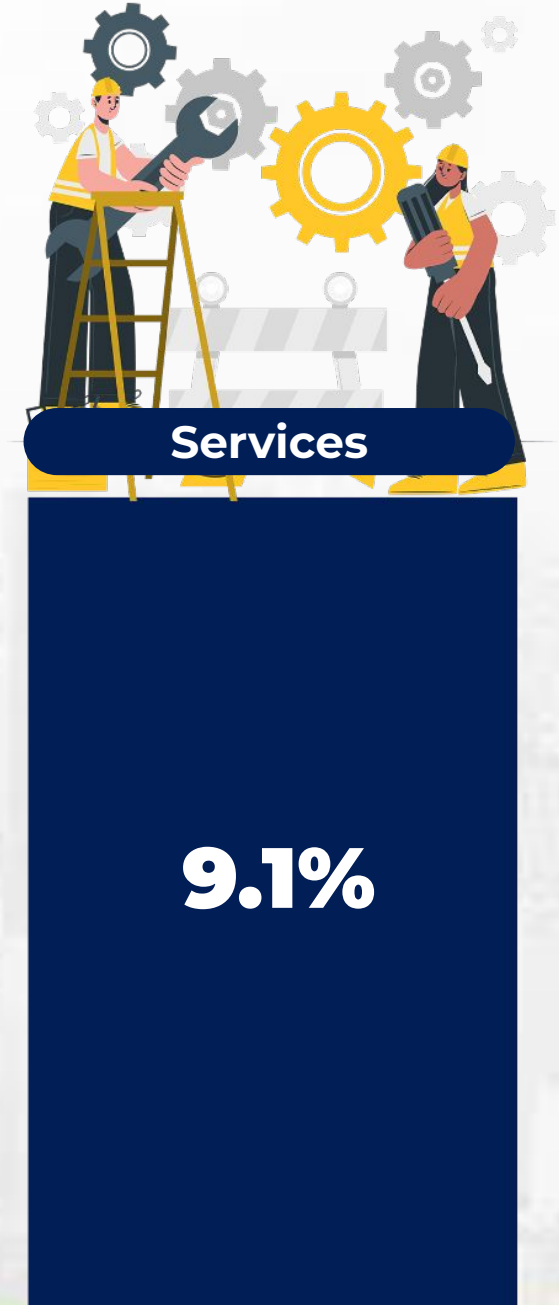

**We believe that this is the
best time to
invest in the Philippines.**

Q2 2022 GDP growth shows that we are on a steady path to a strong rebound and expansion

Philippines' Real GDP growth rate (year-on-year)

The Philippine economic expansion in the second quarter of the year was broad-based

Investment inflows reflect confidence in the Philippines' strong economic recovery

Net Foreign Direct Investment Inflows (In USD Billion)

The Philippines' growth outlook is supported by the full reopening of the economy and key structural reforms

Corporate Recovery and Tax Incentives for Enterprises Act

Amendments to the Foreign Investments Act

Amendments to the Retail Trade Liberalization Act

Amendments to the Public Service Act

The Philippines continues to be vigilant of ongoing geopolitical risks and a shifting economic landscape

Key challenges ahead:

Rising inflation largely due to increase of world oil prices and other key commodities

The lingering effects of the pandemic are still felt

Unpredictable global political economy

Marcos administration's 8-point socioeconomic agenda in the near and medium term

ROBUST ECONOMY, INCLUSIVE AND RESILIENT SOCIETY

PROTECT THE PURCHASING POWER OF FAMILIES

Ensure Food Security

Reduce Transport and Logistic Cost

Reduce Energy Cost

REDUCE VULNERABILITY AND MITIGATE SCARRING FROM THE COVID-19 PANDEMIC

Tackle Health

Strengthen Social Protection

Address Learning Losses

ENSURE SOUND MACROECONOMIC FUNDAMENTALS

Improve Bureaucratic Efficiency

Ensure Sound Fiscal Management

CREATE MORE JOBS, QUALITY JOBS, GREEN JOBS

Promote Investments

Expand Digital Infrastructure

Improve Infrastructure

Encourage R&D and Innovation

Ensure Energy Security

Pursue a Green and Blue Economy

Increase Employability

Establish Livable and Sustainable Communities

NEAR-TERM AGENDA

MEDIUM-TERM AGENDA

The 8-point socioeconomic agenda aims to

Cut poverty incidence to 9 percent by 2028

Attain upper middle-income country status by 2024

The country's Medium-Term Fiscal Framework serves as our blueprint to:

**Reduce the
fiscal deficit**

**Promote fiscal
sustainability**

**Enable robust
economic
growth**

The Medium-Term Fiscal Framework proposes measures that aim to enhance the fairness and efficiency of our tax system

1. Promote efficient tax administration through digitalization

2. Put in place measures that will help our tax system catch up in the digital economy

3. Introduce tax measures that will promote environmental sustainability to address climate change

4. Pursue the remaining tax reform packages of the Duterte administration

The Medium-Term Fiscal Framework aims to promote sustainable long-term growth and solid fiscal management.

Bring down our debt-to-GDP ratio to less than 60 percent by 2025

Reduce fiscal deficit GDP to 3.0 percent of GDP by 2028

Maintain high investment in infrastructure at 5 to 6 percent of GDP annually

**We anticipate significant benefits
from our **key economic reforms.****

The Marcos administration will faithfully implement the Corporate Recovery and Tax Incentives for Enterprises Act

Largest fiscal stimulus program for enterprises in the country's history

Gives out almost USD 2 billion worth of tax relief annually to the corporate sector

Provides hefty corporate income tax rate cuts

Provides 10-ppt cut in the corporate income tax rate of domestic MSMEs (from 30 percent to 20 percent), and 5-ppt reduction (from 30 percent to 25 percent) for other corporations

Provides more flexibility in the grant of fiscal and non-fiscal incentives

Provides an enhanced incentives package that is performance-based, time-bound, targeted, and transparent

Our new economic liberalization laws widen the space for international firms to invest in previously protected sectors

Amendments to the Retail Trade Liberalization Act

- Lowered the minimum paid-up capital requirement for foreign corporations from USD 2.5 million to USD 500,000.
- Simplified the qualification requirements of foreign retailers.

Amendments to the Public Service Act

- Opened up public services to 100 percent foreign ownership, and retain public utilities as majority Filipino-owned, subject to the 60-40 ownership rule.

Amendments to the Foreign Investment Act

- Mandated a review of the Foreign Investment Negative List every two years.
- Liberalized the practice of professions.
- Enhanced transparency in monitoring foreign investments.

“

We face the next six years with full confidence in our bold socioeconomic agenda.

”

“

**The Philippines is poised for a
bright economic future.**

”
